

A Mountain Bike Rogaine set in the rugged wilds of the Akatarawa ranges north of Wellington, and the home of the Karapoti Classic mountain bike race. The area covers about 200 sq km from McKay's crossing and the Akatarawa Saddle in the north to Hayward's Hill road in the south and promises a full day of challenge for any mountain biking enthusiast. The event will cover about 50% of the region and its your chance to ride a variety of tracks from 4WD to single track at your own pace. Its a mountain bike race with a difference and where you get to choose your own course. A race where the fastest and fittest are more often out witted by sly and cunning. Are you up for the Adventure ?

What is It ?

A Rogaine is a navigation adventure for teams of 2 - 5. Points are scored by visiting locations marked on a map within your chosen time period of 4 or 8 hours. A team of volunteers have visited and plotted dozens of new and some previously un-documented tracks in the area for your riding pleasure. The detailed map marked with the location of the points is provided on the day.

Who can participate?

Anyone over 16 can participate as the area is rugged and remote. Teams of two or more members are compulsory and must race and visit the points together.

You will need to be able to deal with simple bike repairs and if necessary be prepared to hike out! There is a list of compulsory gear items that must be carried by each team.

You don't have to be crazy to take part but it helps

Race Day

The events start at 8:30 am and 12:00pm respectively. The maps will be available from about one hour before the start of each event. Finish time is 4:00pm for the 4 hour and 4:30pm for the 8 hour event. Prize giving and barbeque will follow. Remember that points are deducted from your score if you return late.

The start location is currently secret but will be under 1 hour drive from Wellington. Teams will be advised in an email 10 days prior to the event exactly where the start point is and how to get there. Turn up at least 1 hour prior to the start for registration and the gear check and a chance to plan your days adventure.

Every rider will receive a detailed map of the area with the tracks marked. Points of different values will be scattered across the map. You choose what you can achieve, and ride your chosen route, but remember to leave a few points for the ride home. Each point has a marker flag and clipper to prove you were there. Hand in your score cards at the end, relax and enjoy a barbeque while the results are collated.

Entry Details

The entry fee is \$50 per person for the 8 hour event and \$40 per person for the 4 hour event. There is a \$10 discount for Orienteering clubs and members of HVMBC mountain bike club and an additional \$10 discount for Early bird payment before 31st Dec 2006.
