

Your chance to take on New Zealand's top sprint orienteers...

# O-MAX-2007

## Afterwork Park Orienteering Series

### What is O-Max?

It's orienteering in local parks, designed for maximum spectator enjoyment. It's fast action packed racing - where every second counts. He who hesitates is lost! Also provided are white and yellow courses (with assistance) for newcomers - no excuse not to bring your friends, they can watch and learn.

This **O-Max** series is made up of six races in Wellington and Hutt Valley parks. It's sprint-distance orienteering - distance around 2-3 km - just like the Ericsson Park World Tour for the world's top elites. Innovations are regularly introduced. Up to six starts at once with course splits. Pre-marked colour maps. Loops and 'Wild Card' controls. PA commentary. Instant results.

### When is it?

O-MAX 2007 runs after work during November and December. Mass starts are from **6:30pm**. Beginners White/Yellow level courses(1-5km) for are available between 6 -7pm)

### Season ticket

Enter all 6 races for the price of 5, using the entry form here. Or enter on the night (by 6pm, while maps last). White/yellow courses enter on the night.
