Don't write your answers here, write them on your card. Our cards are waterproof and Inkjoy pens will work in the wet.

Quick hint for adding up at the end – the top row is worth 5pts, the middle row 10pts and the bottom row 20pts. As there is no #19, the maximum possible is 295. Penalty for late return 10pts/min. But that thing about part minutes is ridiculous. If you are clever enough to use the 59sec we'll give it to you.

Before handing in your card, write
your **team name in the name box**,
your **gross score above the running figure** at bottom right,
and the **net score after lateness penalty under the running figure**.
