

A Speedy P: P-Max 2013

A 2020 re-creation of a P-Max mini rogaine on 19 Mar 2013. Look up those results at www.mapsport.co.nz/pmax

If you're using MapRun, the S/F position is the one in the main map not the enlargement. It is over on the school fence. If necessary you may have to go into the school to get a beep.

This rogaine is **1 hour** long. Timing is to the minute, penalty for late return 10pts/min.

Write the answer in the appropriate box on your card. The first 3 letters are enough, eg BLU for blue

If you have trouble or expect to be late back, phone the **organiser 027 232 4310**

Don't write your answers here, write them on your card. Our cards are waterproof and Inkjoy pens will work in the wet.

Quick hint for adding up at the end – the top row is worth 5pts, the middle row 10pts and the bottom row 20pts. Exceptions: #19 doesn't exist, so maximum is 305. Penalty for lateness 10pts/min. But that thing about part minutes is ridiculous. If you are clever enough to use the 59sec we'll give it to you.

Before handing in your card, write your **team name in the name box**, your **gross score above the running figure** at bottom right, and the **net score after lateness penalty under the running figure**.
