P-Max: Mini Rogaine Island Bay

Write the question number AND the answer in the next available box on your card. If it's a word or code, the first two letters are enough, eg BL for blue. If you run out of boxes, draw some neatly on the back of the card☺
Number 50 is special: its worth more than any other control but it won't be there until half time.

This rogaine is **2 hours** long. If you have trouble or expect to be late back, phone the **organiser at 027 232 4310.**

At the end, add up your score and write it above the running figure on the card. Subtract any lateness or solo penalty and write the net total below the running figure. Ensure your team name is in the "name" box and hand your card in.
