Don't write your answers here, write them on your card. Our cards are waterproof and Inkjoy pens will work in the wet. There isn't a #28 box so answer above the running figure at bottom left.

Quick hint for adding up at the end — the top row is worth 5pts, the middle row 10pts and the bottom row 20pts. Exceptions: #19 is only 10pts and #28 is 30pts. So maximum is 335. Penalty for lateness 10pts/min. But that thing about part minutes is ridiculous. If you are clever enough to use the 59sec we'll give it to you.

Before handing in your card, write

your **team name in the name box**,

your **gross score above the running figure** at bottom right,

and the **net score after lateness penalty under the running figure**.
