ORIENTEERING

is a sport for families and individuals of all ages. It involves finding your way through unfamiliar terrain using a map. It is a highly competitive sport with international fixtures, and also a recreation which can be enjoyed close to home. Maps for orienteering on foot show the roads, tracks, streams, gullies, open land and forest in detail. This map for MTB-orienteering is less detailed off the tracks but shows the "rideability" of them.
